# MONDIAL

Slightly different than you're used to, that's Mondial. Your bathroom is only complete with a distinctive vanity of Mondial.

We strive to offer a varied program, where different materials and colors are used.

- 13 series
- Distinctive design
- Customization
- High quality materials

That's Mondial.

# DISTINCTIVE COLORS

With great care we have created a color palette: fresh, modern and just a bit different.

Mondial understands that you'd like to have the opportunity to have your vanity tailored to your wishes. The colors are available in three different paint finishes.

High gloss, satin and matte.

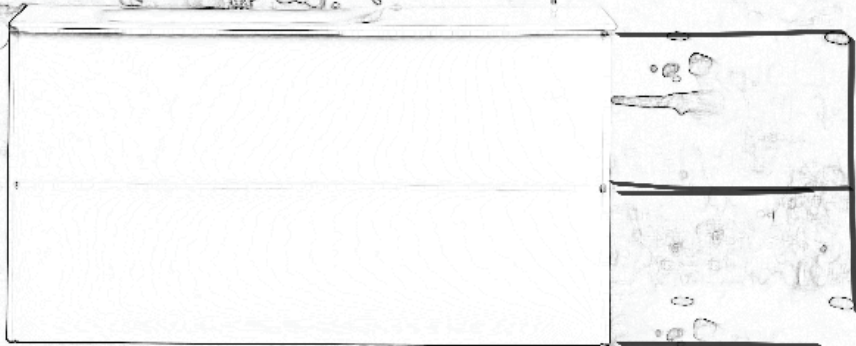

You will find the colors on page 87

## RAL COLORS

If our color palette doesn't contain the color you want, you can have your furniture painted in the desired RAL color.

Flott 120cm in the color Greey matte

123cm

# CUSTOMIZATION

A 123cm alcove or just space for a piece of furniture with a width of 95cm?

Mondial is happy to think along. We can supply most of our furniture customized. This means that we are flexible, both in dimensions and colors.

We can supply the furniture in any RAL color.

# MATERIAL

We only use high quality materials in our bathroom furniture.

Our furniture is made of solid wood, 16 or 19mm MDF and Solid Surface.

The sinks are made of Solid Surface brand Lacron Plus.

# Colors & Finishes

With great care we have created a color palette: fresh, modern and just a bit different.

Mondial understands that you'd like to have the opportunity to have your vanity tailored to your wishes. The colors are available in three different paint finishes.

High gloss, satin and matte.

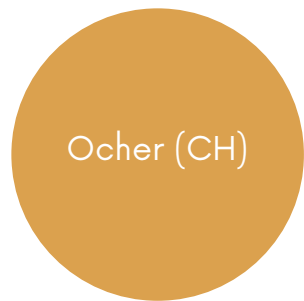

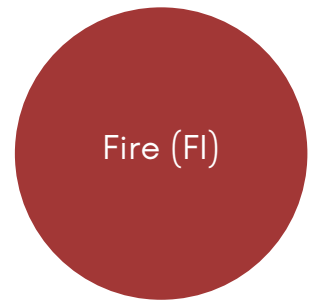

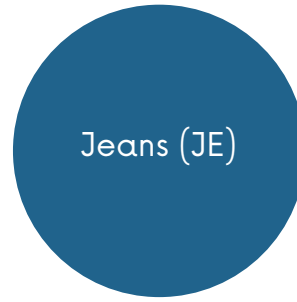

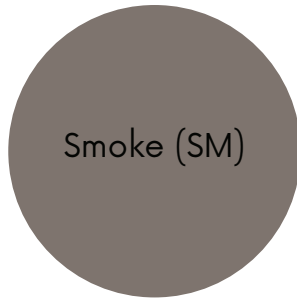

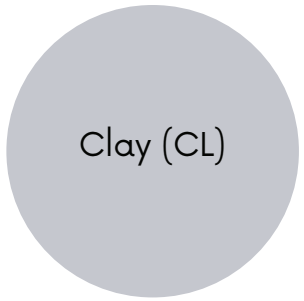

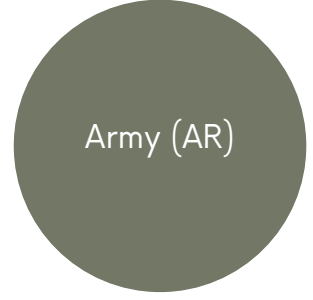

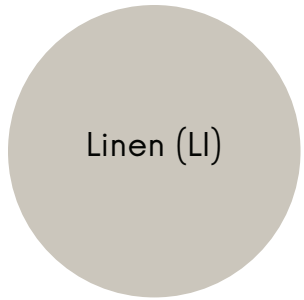

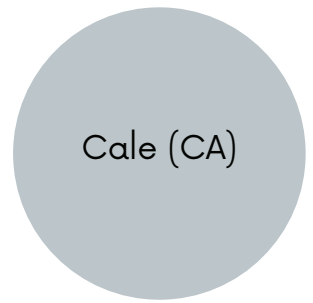

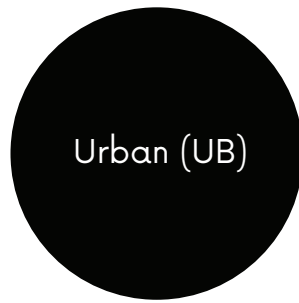

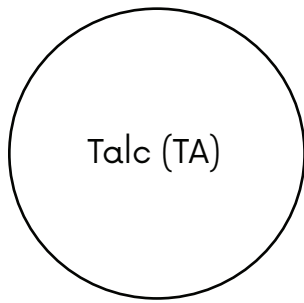

## Disclaimer

We have made every effort to make the colors and finishes on screen as close as possible to the colors and finishes of the products you'll get delivered. However, we cannot guarantee an exact match in colors and finishes and the images and information should not be relied on as such. The representation of colors, gloss levels, metallic pigment effects and textures are limited by technology and may vary due to screen and printer settings.

For a better representation of the colors it is best to consult the color samples at one of our dealers.

## Lacquer colors

Since Bronze is a metallic-color, it's only available in satin
